

CERTIFICATE

EMERGING ECONOMETRICIAN

AWARD *in* 2025

Econometric Reviews

proudly presents this certificate to

Riccardo Di Francesco

For the best paper published by an Emerging Econometrician in 2025

‘Ordered correlation forest,’

44:4, 416-432, 2025 [DOI: 10.1080/07474938.2024.2429596]

The ongoing contribution and dedication of our authors is invaluable in maintaining the quality and high standard of academic integrity in the papers we publish.

On behalf of the Editor-in-Chief,
Yuya Sasaki
